

CURRICULUM VITAE

Date Prepared 08/12/2019

Name Huijun Li

Office Address Department of Psychology
College of Social Sciences, Arts, and Humanities
Florida A&M University
GEC B 206
Tallahassee, Florida 32307

Work Phone 850-599-3014

Work Email huijun.li@famu.edu

Place of Birth Hebei Province, People's Republic of China

Education

1984	B.A.	English and Education	Hebei Teachers' University, China
1988	M.A.	English and Applied Linguistics	Kunming University of Science and Technology, China
2003	Ph.D.	School Psychology (Adviser: Richard J. Morris)	University of Arizona

Faculty Academic Appointments

08/84–07/86	Instructor	English	Lang Fang Teachers' College, China
08/88–07/96	Instructor	English	North China University of Technology Beijing, China
08/03–04/08	Assistant Professor	School Psychology	Florida State University.
03/08–12/11	Instructor	Psychology	Harvard Medical School
01/12--	Assistant Professor	Psychology	Florida A&M University
01/12--2014	Visiting Professor	Psychiatry	Harvard Medical School
2014-	Research Collaborator	Psychiatry	Beth Israel Deaconess Medical Center Harvard Medical School
08/15--	Associate Professor	Psychology	Florida A&M University
08/17-01/18	Professional sabbatical leave		Beth Israel Deaconess Medical Center Harvard Medical School

Appointments at Hospitals/Affiliated Institutions

03/08– 12/11	Director	Psychiatry	Beth Israel Deaconess Medical Center
	Multicultural Research		Harvard Medical School

Other Professional Positions

1993–1995	Test designer	Chinese National Education Commission, Beijing, China
1995–1996	English Editor	Overseas Center, China Central Television, Beijing, China
2000–2001	Research Associate	Strategic Alternative Learning Center, University of Arizona
2001–2002	Research Associate	Meyerson Disability Research Project, University of Arizona
2002–2003	Predoctoral School Psychology Intern	Fort Worth Independent School District, Texas American Psychological Association accredited

Major Administrative Leadership Positions

2008–2011	Director of Multicultural Research	Commonwealth Research Center Department of Psychiatry Beth Israel Deaconess Medical Center
	Course Director Multicultural Competence Training Seminar (coordinate monthly seminar, invite speakers, act as discussant)	Commonwealth Research Center Department of Psychiatry Beth Israel Deaconess Medical Center
2009-	Committee member Multicultural Advisory Council	Department of Mental Health Commonwealth of Massachusetts

Professional Societies and Services

2003–	American Psychological Association	Member
2003–	National Association of School Psychologists	Member
2004–2007	Florida Association of School Psychologists	
2004–2008	Child Development Committee	Board Member
	International School Psychologists Association	
2009–	2005–2008 Overseas Chinese Mental Health Professionals Association	Board Member
2011–	National Association of School Psychologists	Program Reviewer
2012-2013	Florida Association of School Psychologists	Member
2013-2014	Florida Association of School Psychologists Chair of Research Committee	Chair
2015-2016	Florida Association of School Psychologists Research Committee	Member
2015-	Diversity Committee of American Psychological Association Division 29	Member
2011–2015	National Association of School Psychologists	Program Reviewer
2015-2016	Asian American Psychological Association Annual Conference Sessions Committee	Vice-Chair

2016-2017	Asian American Psychological Association Annual Conference Sessions Committee	Chair
2016-	National Association of School Psychologists	Lead Program Reviewer

Editorial Activities

Editorial Roles

2010–	Editorial Board member	Psychology in the Schools
2011–	Editorial Advisory Board member	Asian Journal of Psychiatry
2016-	Editorial Advisory Board	School Psychology Forum
2016-	Editor of Special Section on Cognitive Remediation in Early Psychosis	Asian Journal of Psychiatry

Ad Hoc Editorial and Book Reviewer

2004–	School Psychology Review
2008–	Journal of Psychoeducational Assessment
2009–	Cultural Diversity and Ethnic Minority Psychology
2009–	Journal of Psychoeducational Assessment
2010–	Schizophrenia Research
2011–	Psychiatric Services
2012–	Neuropsychology
2015	PLOS ONE
2015	Journal of Counseling Psychology
2015	Jacobs Journal of Psychiatry and Behavioral Sciences
2015	Research Methods: From Theory to Practice. Oxford University (two book chapters)
2017–	Adolescent Psychiatry
2017–	Current Psychiatry Review
2018--	Journal of Affective Disorders

Department, College, University Committees: Florida A&M University

2012-2014	School Psychology Committee
2012-	Imhotep Annual Student Research Conference Planning
2012-	Department Curriculum and Development Committee
2012-	College of Social Sciences, Arts, and Humanities Grievance Committee
2012	University Anti-Hazing Research Grant Review Committee
2013	Psychology department assistant professor search committee
2013-	Acting Department Chair on a need basis (e.g., 1/20/16-1/23/16)
2014-2015	Faculty Senate Council Faculty Welfare Committee
2014--	Assistant Director of Center for Ethnic Psychological Research and Application
2014-2015	Psychology department assistant professor search committee
2016-	University Institutional Review Board
2018-	Tenure and Promotion Committee, College of Social Sciences, Arts and Humanities
2019-	Faculty senate

Honors and Awards

1997–2001	Graduate Tuition Achievement Scholarship	University of Arizona	Academic Accomplishment
1997	Asian American Psychological	Asian American Psychological	Research

	Association	Association Scholarship	
1999–2000	Graduate Research Fellowship	University of Arizona	Research
2004	Best Presentation Award	American Psychological Association (Division 34)	Research
2005	Research Collaboration Early Career Scholar Award	National Association of School Psychology	Research
2008	NIMH Navigating through a Successful Research Career	National Institute of Mental Health	Research
2012	AAPA-American Psychological Foundation OKURA Mental Health Leadership Foundation Fellow		
2013	Faculty Travel Grant, Florida A&M University		
2013	American Psychological Association Psychology Summer Institute Fellow		
2014	Researcher of the Year Award, Florida A&M University		
2014	Faculty Travel Grant, Florida A&M University		
2015	Faculty Travel Grant, Florida A&M University		
2016	National Institute of Health Summer mHealth Training Institute Award		
2019	Technical Assistance Scholar Award, South Carolina State University		

Funded Research Projects

Current

1. Florida A&M University Center for Medical Marijuana Research Mini Grant (Investigator, Burney PI) (July, 2019 to June 2020, \$7000).
Grant Title: “Epidemiological Impact of Intergenerational Cannabis/Marijuana Use on Mental Health among African American Young Adults”
This mini project aims to bring change to FAMU by striving to reduce illegal marijuana use and promoting positive mental health among our students.
2. National Institute of Mental Health, R21 1 R21 MH113674-01A1 (**PI/PD, Huijun Li**, \$341,324)
Grant Title: “Enhancing Intervention of Attenuated Psychosis Syndrome with M-Health Technology.”
7/18/2017-7/17-2019
The goal of this two-year project is to develop a culturally sensitive mHealth application to help improve cognitive performance of youth at risk for psychosis.
3. National Institute of Mental Health, R01 MH111448 (PI/PD L. Seidman, **Principal Investigator** in a multiple PI model. 2.6 million, **PI** at Florida A&M University)
9/21/2016 – 9/20/2021

Grant Title: “A Psychobiological Follow-up Study of Transition from Prodrome to Early Psychosis”

This five year grant aims to examine clinical, neurocognitive, and biological predictive factors of psychosis in a large sample (n=300) of youth identified as at risk for psychosis.

Completed Funding

- 2013-2016
Transition National Institute of Mental Health R01 “Validating Biomarkers for the Prodrome and Transition to Psychosis in Shanghai.” **Principal Investigator** in a multiple PI model. **PI** at Florida A&M University. 1 R01 MH 101052-01, 2013 to 2016, \$600,000
The goal of this grant is to contribute to global effort of early identification and early intervention of youth at risk for psychosis.
- 2012-2015 National Institute of Mental Health R21 “Broadening the Investigation of Psychosis Prodrome to Other Cultural Groups.” **Principal Investigator and Project Director.** 1R21 MH093294-01A1, 2012 to 2015, \$252,000
The goal of this grant was to provide research training to researchers from underdeveloped countries and establish sustainable research projects. This project involved conducting a pilot study of identifying youth at risk for psychosis.
- 2013-2015 American Psychological Association Promoting Psychological Research and Training on Health Disparities Issues at Ethnic Minority Serving Institutions (PRODIGS). “Enhancing Mental Health Literacy among African American Young Adults: A Critical Step to Reduce Mental Health Disparities.” **Principal Investigator**, July, to August, 2015, \$9,500
The goal of this project was to educate African American college students about risks and symptoms of psychosis in order to promote help-seeking behaviors.
- 2013-2014 AAPA-American Psychological Foundation OKURA Mental Health Leadership Foundation Fellow “Increasing the Efficacy of Psycho-Education to Improve Mental Health Knowledge and Attitudes among Parents of Chinese American Youth” **CO-PI**, \$20,000
The goal of this grant was to evaluate a culturally sensitive psychoeducational approach to promoting mental health knowledge in minority populations, Chinese Americans in particular.
- 2008 – 2012 Psychological Well-Being of Chinese Immigrant Children in the United States. **Project PI** (\$40,000), internal grant support, Commonwealth Research Center
The goal of this study was to investigate cultural specific interpretation of psychological well-being, stressors and resilience factors among Chinese American school age children and youth, with the purpose of establishing cultural relevant prevention and intervention school and community programs.
- 2009–2011 Cultural Risk and Protective Factors in the Onset of Schizophrenia NIMH/3P50MH080272-03S2 **Diversity Supplement PI** (\$305,041)

The goal of this project was to examine social cultural factors related to the risks for psychosis, with the purpose of informing early prevention and intervention.

Teaching and Training

Teaching of Students in Courses

Hebei Langfang Teachers' College, English Department, China

1984–1986	English Intensive Reading Undergraduate students	Hebei Langfang Teachers' College 4 x 2-hr sessions per wk for 15 wks
-----------	---	---

North China University of Technology, Beijing, China

1988-1994	College English Undergraduate students	North China University of Technology 6 x 2-hr sessions per wk for 15 wks
-----------	---	---

1995-1996	English Listening Comprehension Undergraduate students	North China University of Technology 3-hr session per wk for 15 wks
-----------	---	--

1995-1996	Comprehensive English Graduate students	3 x 2-hr session per wk for 15 wks
-----------	--	------------------------------------

Florida State University, Combined Counseling Psychology and School Psychology Program

2003	School Psychology Practicum Advanced doctoral students	Florida State University 2-hr session every other wk for 15 wks
------	---	--

2003–2004	Counseling Children and Adolescents Graduate students	Florida State University 3-hr session per wk for 15 wks
-----------	--	--

2004–2005	Consultation at School Settings Graduate students	Florida State University 3-hr session per wk for 15 wks
-----------	--	--

2004–2007	Foundations of School Psychology Graduate students	Florida State University 2.5-hr session per wk for 15 wks
-----------	---	--

2004–2007	Psychosocial and multicultural issues in counseling Graduate students	Florida State University 3-hr session per wk for 15 wks
-----------	---	--

2007–2008	School Psychology Practicum Advanced doctoral students	Florida State University 2-hr session every other wk for 15 wks
-----------	---	--

Florida A&M University, Tallahassee, Florida

2012--	Introduction to Psychology Undergraduate students	Florida A&M University 2 x 75 minute sessions per wk for 15 wks
--------	--	--

2012--	Introduction to Psychology Undergraduate students	Florida A&M University 3 x 50 minute sessions per wk for 15 wks
--------	--	--

2012--	Research Design & Methods	2 x 75-minute sessions per wk for 15 wks
--------	---------------------------	--

Undergraduate students		
2013--	Research Design & Methods Undergraduate students	2 x 75-minute sessions per wk for 15 wks
2013--	Research Design & Methods Undergraduate students	2 x 75-minute sessions per wk for 15 wks
2013--	Introduction to Psychology Undergraduate students	Florida A&M University 2 x 75 minute sessions per wk for 15 wks
2013--	Introduction to Psychology Undergraduate students	Florida A&M University 2 x 75 minute sessions per wk for 15 wks
2014--	Research Design & Methods Undergraduate students	Florida A&M University 2 x 75-minute sessions per wk for 15 wks
2014--	Introduction to Psychology Undergraduate students	Florida A&M University 2 x 75 minute sessions per wk for 15 wks
2014--	Psychoeducation Assessment Graduate students	Florida A&M University 1 x 180 minute session per wk for 15 wks
2014--	Individual Personality Assessment Graduate students	Florida A&M University 1 x 210 minutes session per wk for 15 wks
2014--	Research Design & Methods Undergraduate students	Florida A&M University 2 x 75-minute sessions per wk for 15 wks
2014--	Research Design & Methods Undergraduate students	Florida A&M University 2 x 75-minute sessions per wk for 15 wks
2015--	Research Design & Methods Undergraduate students	Florida A&M University 2 x 75-minute sessions per wk for 15 wks
2015--	Introduction to Psychology Undergraduate students	Florida A&M University 2 x 75 minute sessions per wk for 15 wks
2015--	Psychoeducation Assessment Graduate students	Florida A&M University 1 x 180 minute session per wk for 15 wks
2015--	Introduction to Psychology Undergraduate students	Florida A&M University 4 x 90 minute summer sessions per wk for 6 wks
2015--	Individual Personality Assessment Graduate students	Florida A&M University 1 x 210 minutes session per wk for 15 wks
2016--	Research Design & Methods Undergraduate students	Florida A&M University 2 x 75-minute sessions per wk for 15 wks
2016--	Introduction to Psychology Undergraduate students	Florida A&M University 2 x 75 minute sessions per wk for 15 wks
2016--	Psychoeducation Assessment	Florida A&M University

	Graduate students	1 x 180 minute session per wk for 15 wks
2016--	Research Design & Methods Undergraduate students	Florida A&M University 2 x 75-minute sessions per wk for 15 wks
2016--	Individual Personality Assessment Graduate students	Florida A&M University 1 x 180 minute session per wk for 15 wks
2018--	Individual Personality Assessment Graduate students	Florida A&M University 1 x 180 minute session per wk for 15 wks
2018--	Research Design & Methods Undergraduate students	Florida A&M University 75-minute sessions per wk for 15 wks
2019--	Psychoeducation Assessment Graduate students	Florida A&M University 2 x 180 minute session per wk for 15 wks
2019--	Individual Personality Assessment Graduate students	Florida A&M University 2 x 180 minute session per wk for 15 wks

Formal Teaching of Residents, Clinical Fellows and Research Fellows (post-docs)

1/22/2009	Public Psychiatry Longwood psychiatry residents Strategies Working with Asian American Families	Massachusetts Mental Health Center 1 hour seminar
2/25/2010	Public Psychiatry Longwood psychiatry residents Strategies Working with Asian American Families	Massachusetts Mental Health Center 1 hour seminar
8/5/2010	Public Psychiatry Longwood psychiatry residents Strategies Working with Asian American Families	Massachusetts Mental Health Center 1 hour seminar
2/17/2011	Public Psychiatry Longwood psychiatry residents Strategies Working with Asian American Families	Massachusetts Mental Health Center 1 hour seminar
8/11/2011	Public Psychiatry Longwood psychiatry residents Strategies Working with Asian American Families	Massachusetts Mental Health Center 1 hour seminar
5/6/2013	Florida State University Multidisciplinary Center Psychology interns, practicum students, faculty and staff How to identify youth at risks for psychosis	FSU Multidisciplinary Center 1.5 hour seminar

Invited Presentations

5/11/2009	Engaging minority youth and their families in quality mental health services/Presentation Sidney Baer Annual Psychiatrists, psychologists, social workers
-----------	---

Conference, Boston, MA.

- 4/1/2010 Doing well vs feeling well: Depression among young Asian American immigrant populations/Grand Rounds
Harvard Longwood Psychiatry, Harvard Medical School
- 5/26/2010 Strategies working with Asian American clients/ Grand Rounds
Massachusetts Mental Health Center, Harvard Medical School
- 5/27/2010 Working with Asian American clients: Challenges and rewards/ Professional Development
Department of Social Work
Beth Israel Deaconess Medical Center, Harvard Medical School
- 5/26/2011 Identifying youth at risk for psychosis
Asian Mental Health Forum, Chelmsford, MA
- 5/6/2013 Education on early assessment of risks for psychosis
Multidisciplinary Center, Florida State University
- 12/10/2013 Youth at Risk for Psychosis: Epidemiology and early identification
Florida A &M University Student Counseling Center

Current Licensure and Certification

- 2007-- Nationally Certified School Psychologist
- 2014-- Nationally Certified Youth Mental Health First Aid Trainer

Clinical Practice Activities

- 2009–2010 Treatment of patients with psychosis Prevention of Early Psychosis Clinic
Neurocognitive assessment 1.5 days per week
Multifamily support

Education and Service to the Community

- 2007 Yunnan Agricultural University
Presentation to college students: How to manage your anger?
- 2007 Yunnan University
Presentation to college students and parents: Strategies for effective communications
- 2009 South Cove Community Health Center, Boston, MA
Assessment of youth at-risk for psychosis
- 2009 Chinese Neighborhood Center, Boston, MA
Education on effective parenting
- 2009 Kwong Kow Chinese School, Boston, MA 1
Education on effective parenting
- 2010 Kwong Kow Chinese School, Boston, MA
Education on effective communication between parents and children
- 2010 Chinese Baptist Church of Greater Boston, Lexington, MA

	Education on effective communication between parents and children

Using Psychosocial Intervention to Enhance Knowledge of Attenuated Psychosis Symptoms and Help Seeking Behaviors among African American Young Adults Presentation at the 6th Biennial Schizophrenia International Research Society Conference, Florence, Italy.
 77. Zhang, T.H., **Li, H.**, Xu, L., Tang, Y., Cui, H., Wei, Y...Seidman, L. (April, 2018). Validating the predictive accuracy of the NAPLS-2 psychosis risk calculator in a clinical high-risk sample from the SHARP (ShangHai At Risk for Psychosis) program. Presentation at the 6th Biennial Schizophrenia International Research Society Conference, Florence, Italy.
 78. Qi, Zh., Tang, Y., Zhang, T., Cui, H., Woodberry, K., McCarley, R., **Li, H.**, ...Whitfield-Gabrieli, S. (April, 2018). Atypical development of posterior insula network in clinical high-risk patients of schizophrenia. Presentation at the Organization of Human Brain Mapping Annual Conference, Singapore.
 79. Del Re, E., Stone, W.S. Bouix, S., Somes, N., **Li, H.**, Tang, Y...(April, 2018). Auditory and language areas distinguish converters from non-converters at baseline in sharp clinical high risk subjects for psychosis study. Presentation at the 6th Biennial Schizophrenia International Research Society Conference, Florence, Italy.
 80. **Li, H.** (May, 2018). 2018 Global Mental Health Workshop Panel: Myriad Roles for mHealth technologies in global mental health care. National Institute of Health, Bethesda, MD
 81. Chi, H., **Li, H.** (June, 2018). Enhancing early intervention of attenuated psychosis syndrome with mhealth technology. National Institute of Health, Bethesda, MD.
 82. **Li, H.**, Xu, L.H., Wang, J. (October, 9, 2018). Examining feasibility of using mhealth technology to enhance cognitive function of patients at clinical risk for psychosis. Presentation at 11th International Conference on Early Intervention in Mental Health, Boston, MA.
 83. **Li, H.**, Friedman-Yakoobian, M. (October, 10, 2018). Working with Asian American individuals with attenuated psychosis syndrome. Presentation at 11th International Conference on Early Intervention in Mental Health, Boston, MA.
 84. Yang, L., Phillips, M., Matcheri, K. Stone, W., **Li, H.** (October, 2018). Symptomatology and cognition in a Chinese sample with chronic untreated psychosis. Presentation at 11th International Conference on Early Intervention in Mental Health, Boston, MA.
 85. He, E., **Li, H.**, Brooks, C., Gardner, (April, 2019). Help-Seeking Barriers for Youth at Clinical High Risk of Developing Psychosis: By Demographic Information. Presentation at the 7th Biennial Schizophrenia International Research Society Conference, Orlando, FL.

86. Williams, N., Lewis, C., & **Li, H.** (April, 2019). Mobile applications for psychosis and other mental illnesses: An Asian context. Presentation at the 7th Biennial Schizophrenia International Research Society Conference, Orlando, FL.
87. **Li, H.**, Lewis, C., & Stanford, N. (April, 2019). Psychosocial Risk Factors Related to Subthreshold Psychotic Symptoms Among African American Young Adults. Presentation at the 7th Biennial Schizophrenia International Research Society Conference, Orlando, FL.
88. **Li, H.**, Chi, H., Yang, S., & Wang, J.J. (May 30, 2019). Enhancing memory and attention in individuals at clinical high risk for psychosis. Presentation at First International Symposium on Digital Health, Hong Kong.
89. **Li, H.**, & Yang, S. (May 31, 2019). Using mHealth Technology to improve memory and attention in individuals with attenuated psychosis syndrome. Presentation at the Second Shanghai Forum of early Phase of Psychosis: Identification and Intervention, Shanghai, China.

Mentored Student Presentations at National and Regional Conferences

1. Brooks, C. (July, 2019). School staff awareness of symptoms of attenuated psychosis syndrome. Presentation at Association of Black Psychologists Annual Conference, Orlando, Florida.
2. Lewis, C., (April, 2019). 3MT presentation competition, Florida A&M University (**First place award**).
3. Lewis, C., (March 28, 2019). Discrimination, substance use, and stress: Their relationship with risk for psychosis in Black young people. Paper presentation for the 27th Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL (**First place of Graduate student oral presentation**).
4. Lewis, C. Stanford, N. (March 29th, 2019). Mental health mobile applications in Asian populations. Paper presentation for the 27th Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
5. Brooks, C. (March 28, 2019). School teacher and staff awareness of risk for psychosis. Paper presentation for the 27th Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
6. Brooks, C., Gardner, N. (March 28, 2019). Barriers and help-seeking pathways of youth at risk for developing psychosis. Paper presentation for the 27th Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
7. Findlay, K.G. (January 25th, 2019). Risk factors for schizophrenia among African American youth. Poster presentation at Human Factors and Applied Psychology (HFAP) Conference. Orlando, FL.
8. H-Onwukwe, O., (April 2, 2017). Progress report of FAMU MARS project. Presentation at Department of Education, Washington, D.C.

9. Matlock, J. (March 31, 2017). Using mindfulness training for financial stress reduction. Paper presentation for the 25 Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
10. Hinton, T., Li, H., & Bogan, Y. (March, 2016). Training workshops to promote mindful spending and stress management. Department of Education, Washington, DC.
11. Hinton, T. (April 8th, 2016). Effectiveness of mindfulness training on financial stress reduction. Paper presentation for the 24 Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
12. Li, H., Hinton, T., & Bogan, Y. (August, 2016). Mindfulness in spending and financial stress management. Poster presentation for 124th American Psychological Association Annual Conference, Denver, Colorado.
13. Rowe, M., Li, H., & Pelham, T. (August, 2016). Protective or risk factors of attenuated psychosis syndrome in African American youth and young adults. Poster presentation for 124th American Psychological Association Annual Conference, Denver, Colorado.
14. Pelham, T., Li, H., & Rowe, M. (August, 2016). Enhancing mental health literacy of African American college students. Poster presentation for 124th American Psychological Association Annual Conference, Denver, Colorado.
15. Pelham, T. (April 9, 2015). Stigma, discrimination, and risk to psychosis among African American college students. Paper presentation for the 23 Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
16. Pelham, T. (April 9, 2015). Mindfulness in spending. Paper presentation for the 23 Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
17. Pelham, T. (April 11, 2014). Discrimination and help seeking among African Americans. Poster presentation for the 22 Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
18. Rowe, D. (April 11, 2014). The Role of childhood trauma in the development of psychosis. Poster presentation for the 22 Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
19. Jenkins, J.R., & Mathaim, M. (April 11, 2014). The Relationship between substance use and psychosis. Poster presentation for the 22 Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.
20. Parker, A. (April, 2013). Help-seeking pathways of African Americans with psychosis risk syndrome. Oral presentation for the 21 Imhotep Student Research Conference. Florida A&M University, Tallahassee, FL.

21. Volcy, L.M. (April 2013). Individuals with Early Psychosis from different backgrounds: Causal beliefs of illness etiology. Oral presentation for the 21 Imhoptep Student Research Conference. Florida A&M University, Tallahassee, FL.

22. Howard, R., Remy, Z., Bell, D., Joseph, Delsa, J., & Vocy, Lod's (April, 2013). Psychosis risk syndrome in African Americans: Barriers to services and help-seeking pathways. Poster presentation for the 21 Imhoptep Student Research Conference. Florida A&M University, Tallahassee, FL.

23. Bell, D., Howard, R., Remy, Z., Joseph, Delsa, J., & Vocy, Lod's (April, 2013). Psychosis risk syndrome in African Americans: Causal beliefs and duration of untreated illness. Poster presentation for the 22 Imhoptep Student Research Conference. Florida A&M University, Tallahassee, FL.
